Multi-Product Additional License Authorizations

Multi-Product Additional License Authorizations

This Additional License Authorizations document ("ALA") sets forth the additional terms that govern use of the software set forth below (the "Licensed Software").

This ALA shall be in addition to the underlying agreement(s) which may include, without limitation, the Rocket Software End User License Agreement; any separate signed agreement between the parties that grants Licensee a license in the Licensed Software; any applicable additional license authorizations available at https://www.rocketsoftware.com/company/trust/agreements; a signed Master Agreement between the parties; and/or a signed Quotation or Order Form between the parties (collectively, the "Applicable Agreement"). Additional access rights and usage restrictions for Licensed Software shall be set forth in the Applicable Agreement. Capitalized terms used but not defined herein shall have the meanings set forth in the Applicable Agreement.

For the avoidance of doubt, the terms of this ALA shall be in addition to and not in lieu of the terms set forth in the Applicable Agreement. This ALA shall not apply to products other than the Licensed Software, and any other products shall continue to be governed by the Applicable Agreement. To the extent of any conflict between the Applicable Agreement and this ALA, this ALA shall control solely as to usage rights and restrictions set forth below for the Licensed Software. Otherwise, the Applicable Agreement shall control.

Licensed Software

- Rocket® ContentEdge Report Management
- Rocket® ContentEdge Report Management, Cloud, & AI
- Rocket® ContentEdge Report Management, Governance, & AI
- Rocket® ContentEdge Log Insights
- Rocket® Enterprise Orchestrator for ContentEdge
- Rocket® Enterprise Output Management Standard
- Rocket® Enterprise Output Management Advanced
- Rocket® Enterprise Log Insights
- Rocket® Enterprise Scheduler
- Rocket® Enterprise Data Migration Service

Usage Rights & Restrictions

1. The following use restrictions shall apply to the Licensed Software listed below:

   Licensee may solely use Rocket® Enterprise Orchestrator for the purpose of controlling Licensee's data pipeline or for loading content into a licensed instance of the Licensed Software.

   - Rocket® ContentEdge Report Management
   - Rocket® ContentEdge Report Management, Cloud, & AI
   - Rocket® ContentEdge Report Management, Governance, & AI
   - Rocket® Enterprise Output Management Standard
   - Rocket® Enterprise Output Management Advanced

2. The following use restrictions shall apply to the Licensed Software listed below:

   Licensee is granted unlimited use of the applicable software products set forth in Exhibit A solely to the extent the workload and data driving the applicable Exhibit A Products originates from or is executed by Licensee's licensed instance(s) of Rocket® Enterprise Server. For the avoidance of doubt, Licensee shall only have unlimited use rights in the Exhibit A products that correspond to Licensed Software products the Licensee has licensed from Rocket via an Order Form.

   - Rocket® Enterprise Output Management Standard
   - Rocket® Enterprise Output Management Advanced
   - Rocket® Enterprise Log Insights
   - Rocket® Enterprise Scheduler

3. The following use restrictions shall apply to the Licensed Software listed below:

   The applicable software products set forth in Exhibit A can only be used as part of an Enterprise replatform project. For the duration of the license term the Licensee is not limited to the environments (Development, Test, Production) where the software products can be installed as long as the products are used solely to replicate and synchronize the licensed number of IBM Db2 for z data tables that are part of an Enterprise re-platforming project. For the avoidance of doubt, Licensee's use rights in this Section 3 shall only apply to the Exhibit A products that correspond to Licensed Software products the Licensee has licensed from Rocket via an Order Form.

   - Rocket® Enterprise Data Migration Service

4. The following use rights shall apply only to the Licensed Software listed below:

   During the license term, Licensee may (i) relocate the Licensed Software to a different server; and (ii) solely for the benefit of Licensee, grant access to the Licensed Software to Licensee affiliates and third party service providers; provided, that, in each case in subsections 3(i) and 3(ii) above, Licensee's use of the Licensed Software does not either exceed the licensed capacity set forth in Licensee's Order Form or violate the terms of the Applicable Agreement or this ALA.

   - Rocket® ContentEdge Report Management
   - Rocket® ContentEdge Report Management, Cloud, & AI
   - Rocket® ContentEdge Report Management, Governance, & AI
   - Rocket® ContentEdge Log Insights
   - Rocket® Enterprise Output Management Standard
   - Rocket® Enterprise Output Management Advanced
   - Rocket® Enterprise Log Insights
   - Rocket® Enterprise Scheduler
   - Rocket® Enterprise Data Migration Service

5. The following shall apply only to the Licensed Software listed below:

Notwithstanding anything to the contrary in the Applicable Agreement, the capacity limits, corresponding units of measure, and usage restrictions set forth in this ALA and the corresponding Order Form shall control as to the Licensed Software.

- Rocket® ContentEdge Report Management
- Rocket® ContentEdge Report Management, Cloud, & AI
- Rocket® ContentEdge Report Management, Governance, & AI
- Rocket® ContentEdge Log Insights
- Rocket® Enterprise Output Management Standard
- Rocket® Enterprise Output Management Advanced
- Rocket® Enterprise Log Insights
- Rocket® Enterprise Scheduler
- Rocket® Enterprise Data Migration Service

Additional Terms & Conditions

Licensee shall at all times abide by the terms of this ALA and of the Applicable Agreement.

The license terms applicable to any software products other than the Licensed Software set forth in this ALA shall continue to apply to such software and shall not be affected by this ALA. Support and maintenance shall be provided as set forth in the Applicable Agreement.

Licensee shall not use the Licensed Software, nor reproduce or distribute any files supplied as part of the Licensed Software, in order to create a product that is generally competitive with or a substitute for any Rocket Software product.
